

# DEBRIEFED

## Terms of Service

Effective Date: 1 June 2026

Last Updated: 1 June 2026

### 1. Acceptance of Terms

By downloading, installing, or using the Debriefed application ("the App"), you agree to be bound by these Terms of Service ("Terms"). If you do not agree to these Terms, please do not use the App.

These Terms constitute a legally binding agreement between you and the operator of Debriefed ("we", "us", or "our"). If you are using the App on behalf of an organisation, you represent that you have authority to bind that organisation to these Terms.

### 2. Description of the App

Debriefed is a news quiz application that delivers daily, weekly, monthly, and special-edition quizzes based on real global current affairs. The App is available on iOS and Android, and via the web at [play.getdebriefed.app](https://play.getdebriefed.app).

#### The App offers two tiers:

- Free tier: Access to the daily quiz, weekly briefing, monthly recap, and special edition quizzes
- Debriefed Pro: A paid subscription providing access to the full archive, Pro deep-dive quizzes, and advanced statistics

### 3. Eligibility

The App is available to users of all ages. By using the App, you represent that you have the legal capacity to enter into these Terms in your jurisdiction. If you are under the age of majority in your jurisdiction, you should review these Terms with a parent or guardian.

Debriefed Pro subscriptions require a valid App Store or Google Play account and payment method. Minors may only subscribe with the consent of a parent or guardian.

### 4. Account and Identity

Debriefed does not require you to create an account. No registration, email address, or password is needed to use the App.

You may optionally enter a display name within the App. You are responsible for the name you choose. You agree not to use a display name that is offensive, misleading, or violates the rights

of any third party. We reserve the right to remove or reset display names that violate these Terms.

Because no account exists, your quiz history, streaks, badges, and Retention Index score are stored locally on your device. We are not responsible for the loss of this data if you uninstall the App, change devices, or clear local storage.

## **5. Debriefed Pro — Subscription Terms**

### **5.1 Billing**

Debriefed Pro is available as a monthly subscription. The current price is USD \$1.99 per month (or the equivalent in your local currency as determined by your App Store or Google Play). Prices may vary by region and are subject to change with notice.

### **5.2 Free Trial**

We may offer a free trial period for Debriefed Pro. At the end of the free trial, your subscription will automatically renew at the applicable subscription price unless you cancel before the trial ends.

### **5.3 Automatic Renewal**

Your Debriefed Pro subscription automatically renews at the end of each billing period unless you cancel it. Renewal charges are applied to your App Store or Google Play account within 24 hours before the end of the current period.

### **5.4 Cancellation**

You may cancel your subscription at any time through your App Store (iOS: Settings > Apple ID > Subscriptions) or Google Play (Play Store > Account > Subscriptions) account settings. Cancellation takes effect at the end of the current billing period. We do not offer refunds for the unused portion of a subscription period except as required by applicable law or App Store / Google Play policies.

### **5.5 Price Changes**

We reserve the right to change subscription prices. We will notify you of any price change before it takes effect. If you do not agree to the new price, you may cancel your subscription before the change takes effect.

## **5.6 Payment Processing**

All payments are processed by Apple (App Store) or Google (Google Play). We do not handle or store your payment information. Subscription management is facilitated by RevenueCat. By subscribing, you agree to the payment terms of your respective app store.

## **6. Content and Accuracy**

### **6.1 Quiz Content**

Debriefed quiz questions are based on real global news events and are verified against reputable sources including Reuters, Associated Press, BBC, The Guardian, Financial Times, and The Economist. We make reasonable efforts to ensure accuracy, but we do not guarantee that all content is error-free, complete, or current.

### **6.2 No Reliance**

The App is intended for entertainment and educational purposes only. You should not rely on the content of Debriefed quizzes for professional, legal, financial, medical, or other advisory purposes. We are not responsible for any decisions made based on information presented in the App.

### **6.3 Content Changes**

We reserve the right to modify, update, remove, or add quiz content at any time without notice. Pro archive content may be updated, reorganised, or retired.

## **7. Intellectual Property**

All content in the App — including but not limited to quiz questions, answer explanations, the Debriefed name and logo, the Retention Index system, badge designs, and all text, images, and design elements — is owned by or licensed to Debriefed and is protected by copyright, trademark, and other intellectual property laws.

### **You may not:**

- Copy, reproduce, distribute, or republish any content from the App without our prior written consent
- Scrape, harvest, or systematically extract quiz questions or other content from the App
- Reverse engineer, decompile, or disassemble any part of the App
- Use the Debriefed name, logo, or branding without our prior written consent

You are granted a limited, non-exclusive, non-transferable licence to use the App for personal, non-commercial purposes in accordance with these Terms.

## 8. Acceptable Use

### You agree not to:

- Use the App for any unlawful purpose or in violation of any applicable laws or regulations
- Attempt to gain unauthorised access to any part of the App or its backend systems
- Interfere with or disrupt the App, its servers, or any connected networks
- Use automated tools, bots, or scripts to interact with the App
- Attempt to manipulate leaderboards, streaks, or other gamification features by artificial means
- Use the App in any way that could damage, overburden, or impair its performance

## 9. Disclaimers and Limitation of Liability

### 9.1 As-Is Basis

The App is provided on an "as is" and "as available" basis without warranties of any kind, either express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or non-infringement.

### 9.2 Service Availability

We do not guarantee that the App will be available at all times, error-free, or uninterrupted. We may suspend, modify, or discontinue the App or any feature at any time without notice.

### 9.3 Limitation of Liability

To the maximum extent permitted by applicable law, Debriefed and its operator shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising out of your use of or inability to use the App, even if we have been advised of the possibility of such damages.

Our total liability to you for any claim arising out of or relating to the App shall not exceed the amount you paid for a Debriefed Pro subscription in the three months preceding the claim.

## 10. Third-Party Services and Links

The App integrates with third-party services including Google Firebase and RevenueCat. These services are governed by their own terms of service and privacy policies. We are not responsible for the practices of these third parties.

Quiz questions may reference news articles from third-party publications. We are not affiliated with, endorsed by, or responsible for content on those third-party websites.

## **11. Termination**

We reserve the right to suspend or terminate your access to the App at any time, with or without notice, if we believe you have violated these Terms or for any other reason at our discretion.

If your access is terminated, your Pro subscription (if any) will be cancelled and you will receive a prorated refund for the unused portion of your current billing period, to the extent required by applicable law or App Store / Google Play policies.

You may stop using the App at any time by uninstalling it from your device.

## **12. Governing Law and Disputes**

These Terms shall be governed by and construed in accordance with the laws of the United Arab Emirates, without regard to its conflict of law provisions.

Any dispute arising out of or in connection with these Terms or your use of the App shall first be attempted to be resolved through good-faith negotiation by contacting us at [support@getdebriefed.app](mailto:support@getdebriefed.app). If a dispute cannot be resolved informally, it shall be submitted to the courts of competent jurisdiction in the UAE.

Nothing in this section limits your rights as a consumer under the laws of your jurisdiction.

## **13. Changes to These Terms**

We may update these Terms from time to time. When we do, we will update the "Last Updated" date at the top of this document and, where the changes are material, notify you through the App or via a notice on our website.

Your continued use of the App after changes are posted constitutes your acceptance of the updated Terms. If you do not agree to the updated Terms, you should stop using the App and cancel any active subscription.

## **14. Severability and Entire Agreement**

If any provision of these Terms is found to be unenforceable, the remaining provisions shall remain in full force and effect. These Terms, together with our Privacy Policy, constitute the entire agreement between you and Debriefed regarding your use of the App.
